Deputy Director of Central Intelligence

FROM : SA/DCI/IA

SUBJECT : Proposed Agenda Items for Defense and
State Meetings, 19 November 1982

1. The following items have been proposed for your discussion with Secretaries Weinberger and Shultz on Friday:

Defense

- DCI Trip to Europe/NATO.
- [] Even though you will have attended Thursday's NSC meeting on the subject, you may wish to discuss the strategy looking forward to the 1 December SSCI Hearing.
- FY 84 Budget.
 - If you believe it necessary, you may wish to pass on to Weinberger the results of Monday's SIG(I) meeting.
 - Defense wishes to discuss funding of the Satellite System Vulnerability Project.
- US-Greek Base Negotiations. With the conclusion of the first round of negotiations, you may wish to discuss where we stand, particularly in light of the papers done in response to Judge Clark's memo.
- USSR/Andropov. You may wish to share your thoughts on likely Soviet moves given the change in Soviet leadership.

State

- DCI Trip to Europe/NATO.
- USSR/Andropov. Shultz will brief you on his trip with the Vice President to Moscow. You may wish to have an exchange of ideas regarding future Soviet initiatives.

- FY 84 Budget. State will ask for your support for the INR budget appeal. You may wish also to discuss the status of efforts to get OMB to reverse its reductions in State overseas slots.

2. It appears that the Cuba Policy Review exercise is being delayed considerably, at least in part, by the efforts of State. Dewey informs me that an NSC is unlikely prior to the departure of Shultz and the President for Latin America in 30 November.

3. Please let me know if there is anything else you would like to have on the agenda.
